**Sector/**IT/Apps

**Site/**Royal London House, Armada Way

**Overview/**Working directly with our client, Engage Workplace discussed the needs of their organisation to establish the suitability of their proposed new premises at Royal London House in Armada Way in Plymouth.

Engage Workplace were appointed to refurbish the interior of the building as part of their relocation program designed and proposed the third floor refurbishment to include;

Design - Kitchen - Partitions - Furniture

**Testimonial/**"Engage Workplace were very helpful in our search for suitable premises advising on space and fit out for our needs. They listened to our specific requirements and proposed contemporary and innovative products that offered the flexibility that we needed. We worked on the designs and specification, trailed different chair samples and we are extremely happy with the end result."
