

PSP | PLYMOUTH SCIENCE PARK

Scope/Design, refurbishment & furniture supply
Sector/New Business
Site/Plymouth Science Park, Phase 2, Lobbies

Overview/After successfully bidding to supply all the new furniture for the common areas in the new Phase 5 building Engage Workplace were asked to refurbish and furnish the common areas in Phase 2. This entailed a full redecoration, new carpet throughout, refurbished wooden stairwells and strip out and refurbish tenants showers on all floors. Working in conjunction with the Science Park Estates department the furniture layout and specification was agreed.

Decoration - Refurbishment - Flooring - Furniture

Testimonial/"The whole project was delivered within the strict budget and completed on time without any hiccups. We are very pleased to have worked with Engage on this project and will not hesitate to work with them on all future projects on the park."

Stephen Holland – Estates & Premises Manager – Plymouth Science Park
